

What are some of the benefits of joining our club?

We offer the chance to: • • • • •

- Learn to drive your vehicle in all situations safely to whichever level you wish, in your own time.
- Have access to areas which the general public does not.
- Learn to become outback wise and to become self sufficient.
- Meet new friends with like interests.
- Travel to new and interesting places.
- Get involved with volunteering and supporting the environment through the Natural Resources Advisory Unit (NRAU). All working for the benefit of all clubs members.
- Become a responsible four wheel driver.

Our Club members have enjoyed many trips to new and exciting places such as the Simpson Desert, Willow Springs, Arkaroola, Innamincka, Bendleby Ranges, and The Victoria High Country just to name a few.

They have been taught to appreciate, and to get the best from their vehicles safely. Each new trip teaches something new, the children learn more about this huge country of Australia and the animals and the people who live in it.

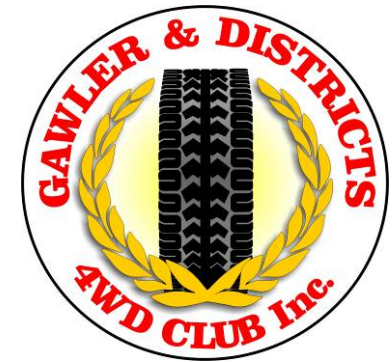

Trips range in time from weekends to several weeks depending on your own particulars, there is always something on offer. So if you think you could stand a little excitement and adventure in your life come along to a meeting and check us out...

The Gawler & Districts 4WD Club is an active and supporting member of Four Wheel Drive South Australia.

Have you ever been to...

Places with strange sounding names like Ngarkat, Googs track, Moolooloo. Have you visited old mining towns like Peake, Nucculeena, seen old ruins of towns such as Farina? Places where once our pioneers tried to eke out a living, only to have the harsh Australian conditions drive them off, such as Artimore. Have you ever been to places where once our brave explorers based themselves as they pushed on into uncharted wilderness, places such as... Depot Glen, Fort Grey, The Dig Tree & Chambers Pillar?

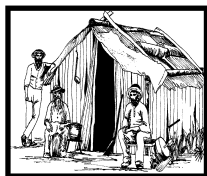

Have you ever...

Crossed the Cooper or camped on Cullyamurra water hole, camped between the mighty sand dunes of the Simpson Desert, or looked up to the blazing stars around a warm campfire? Have you ever soaked in the Dalhousie hot springs and listened to the mournful howls of the Dingos? Have your children marvelled at the abundance of wildlife, as you travelled the far

outback tracks; animals like Dingos, Emus, Red Kangaroos, Wild Camels & the mighty Wedge Tailed Eagle?

Have you ever...

Travelled the Victorian High Country along tracks that seem to climb forever into the clouds, up steep windy tracks that climb to peaks where on a clear day you can see up to 20km in any direction. Travelled through gullies where million year old ferns proliferate, crossed creeks and camped on the banks of bubbling streams where if you are good enough you may catch your evening meal. If you and your children have not experienced these wonders, then...

Where & when do we meet?

The Gawler & Districts 4WD Club meets the second Friday night of each month (except January), at 7.30p.m. in the Gawler Elderly Centre, Fourteenth Street, Gawler South. If this falls on a public holiday weekend, the meetings are held the week before.

Come along to a meeting, bring the kids and see what all the fuss is about!

Each month a different guest speaker will entertain you on all manner of subjects, from 4WD, travel, camp cooking, various products, animal welfare and many more, after which light refreshments will be available.

The club not only concentrates on 4 wheel driving but organizes other social occasions as well.

SO..

BROADEN YOUR HORIZONS...

Learn to drive your vehicle, protect the environment, have fun with the family and add just a dash of adventure as well...

All Four Wheel Drivers Welcome
